

AppleCare+ with Theft and Loss

Thank you for buying AppleCare+ with Theft and Loss, an insurance coverage underwritten by American Security Insurance Company (“ASIC”) with its administrative office at 11222 Quail Roost Drive, Miami, FL 33157-6596 (305.253.2244). Apple has agreed with ASIC to be the exclusive provider of all services and replacement devices to you under AppleCare+ with Theft and Loss. Throughout this Notice of Coverage², the terms “we”, “our” and “us” refer to both ASIC and Apple, as applicable.

We agree to provide you insurance coverage pursuant to the terms and conditions in the Policy¹ and as reflected in this document (the “Plan”), your proof of coverage (“Proof of Coverage”), and your receipt. With the purchase of your new iPhone, you are eligible for coverage under the Policy as outlined below. Information about your coverage effective date, term, premium cost, and Covered Device is included in your Proof of Coverage or receipt. Your Proof of Coverage will be provided to you at or around the time of purchase or sent to you automatically thereafter. If you purchased your Plan from Apple, you may obtain a copy of your Proof of Coverage by following the instructions and entering your Covered Device’s serial number at mysupport.apple.com/products.

1. The Plan

This Plan governs the coverage paid for by you provided to you and on either a one-time basis (“Single Pay”) or a monthly basis (“Monthly Pay”). The Plan covers the Apple-branded iPhone and the Apple-branded accessories contained in its original packaging (“Covered Device”) listed on your Proof of Coverage or any replacement device provided by the manufacturer or us under this Plan.

2. When Coverage Begins and Ends

Coverage begins when you purchase the Plan. The “Plan Term” means the date your Plan begins and, unless cancelled, ends as indicated in your Proof of Coverage. If you purchased the Plan on a Monthly Pay basis, you agree to let us charge your credit card each month for the applicable premium to continue your coverage.

3. What is Covered?

3.1 Hardware Coverage

If you submit a valid claim by notifying us that a defect in materials and workmanship has arisen in the Covered Device or the capacity of the Covered Device’s battery to hold an electrical charge is less than eighty percent (80%) of its original specifications (“Hardware Coverage”), we will either:

- (a) repair the defect at no charge, using new parts or parts that are equivalent to new in performance and reliability; or
- (b) exchange the Covered Device, with a replacement product that is new or equivalent to new in performance and reliability.

All replacement products provided under this Plan will be at a minimum functionally equivalent to the original product. If we exchange the Covered Device, the original product becomes our property and the replacement product is your property, with coverage effective for the remaining period of the Plan Term.

Your Hardware Coverage starts on the expiration of the underlying limited warranty provided by the manufacturer.

3.2 Accidental Damage from Handling Coverage

If you submit a valid claim notifying us that the Covered Device failed due to accidental damage from handling (“ADH”), we will, subject to payment of the applicable deductible described below, either:

- (i) repair the defect using new or refurbished parts that are equivalent to new in performance and reliability; or
- (ii) exchange the Covered Device with a replacement product that is new or equivalent to new in performance and reliability (each occurrence, either repair or exchange, is individually a “Service Event”).

ADH coverage only applies to an operational or mechanical failure caused by an accident from handling that is the result of an unexpected and unintentional external event (e.g., drops and damage caused by liquid contact) that arises from your normal daily usage of the Covered Device.

ADH coverage does not include:

- (a) protection against normal wear and tear, theft, misplacement, damages caused by reckless, abusive, willful or intentional conduct associated with handling and use of the Covered Device, or
- (b) protection against any other act or result not covered by the Plan, as described in Section 4.2 below.

You will pay the following ADH coverage deductible per Service Event:

<u>Covered Device</u>	<u>Screen-only ADH Claims</u>	<u>All Other ADH Claims</u>
iPhone SE	\$29	\$99
iPhone 8, 7, 6s	\$29	\$99
iPhone 11, iPhone XR, 8 Plus, 7 Plus, 6s Plus	\$29	\$99
iPhone 11 Pro, Pro Max, iPhone XS, XS Max, X	\$29	\$99

For iPhone Screen-only ADH Claims, the Covered Device must have no additional damage beyond the screen damage, including, but not limited to, a bent or dented enclosure, that would prevent us from replacing the screen on the Covered Device. A Covered Device with additional damage will be charged the deductible for All Other ADH Claims.

Installation of third party parts may affect your coverage. As a condition of receiving Hardware or ADH Services, all Covered Equipment must be returned to us in its entirety including all original parts or Apple-authorized replacement components.

3.3 Technical Support

During the Plan Term, we will provide you with access to telephone and web-based Technical Support resources (“Technical Support”). Your Technical Support starts on expiration of the complimentary technical support provided by the manufacturer. Technical Support may include assistance with installation, launch, configuration, troubleshooting, and recovery (except for data recovery), including storing, retrieving, and managing files; interpreting system error messages; and determining when Hardware Coverage is required or ADH coverage may be applicable. We will provide support for the then-current version of the supported software and the prior Major Release. For purposes of this section, the term “Major Release” means a significant version of software that is commercially released by the manufacturer in a release number format such as “1.0” or “2.0” and which is not in beta or pre-release form.

3.4 Scope of Technical Support

We will provide Technical Support for the following:

- (i) Covered Device,
- (ii) Operating system (“OS”) and software applications that are pre-installed with the Covered Device (“Consumer Software”);
- (iii) Apple-branded software applications that are designed to operate with the Covered Device, including but not limited to Pages, Numbers, Keynote, Photos, iMovies, and Garageband (also referred to as “Consumer Software”); and
- (iv) Connectivity issues between the Covered Device and a computer that meets the Covered Device’s connectivity specifications and runs an operating system supported by the Covered Device.

3.5 Lost and Stolen Coverage

We will, subject to payment of the applicable deductible, replace a Covered Device that is lost or stolen (coverage for “Lost” and “Stolen” devices, respectively). You must submit a valid claim by notifying us that (i) your Covered Device disappeared without your knowledge, or, (ii) was taken unlawfully without your consent. We will replace the Covered Device with a replacement product that is new or equivalent to new in performance and reliability (each occurrence, either Lost or Stolen, is individually, a “Service Event”).

For your claim to be eligible for coverage, you must have Find my iPhone switched on prior to the device being lost or stolen.

The original product becomes our property and the replacement product is your property, with coverage effective for the remaining period of the Plan Term. As part of the claim process, you may be asked to access your iCloud account to place your device in Lost Mode, erase your device and/or otherwise disable your device.

You will pay the following Lost or Stolen coverage deductibles per Service Event:

<u>Covered Device</u>	<u>Lost</u>	<u>Stolen</u>
iPhone SE	\$149	\$149
iPhone 8, 7, 6s	\$199	\$199
iPhone 11, iPhone XR, 8 Plus, 7 Plus, 6s Plus	\$229	\$229
iPhone 11 Pro, Pro Max, iPhone XS, XS Max, X	\$269	\$269

3.6 End of Coverage Eligibility.

Each repair or replacement service provided pursuant to the ADH or Lost and Stolen coverages constitutes a “Service Event”. Our obligations to you under sections 3.2 and 3.5 will be fulfilled in their entirety before the end of the Plan Term when we, as a result of ADH, Lost, or Stolen claims, have provided to you two (2) Service Events under the plan. There are no Service Event limits for Hardware Coverage.

4. What is not Covered?

4.1 Coverage Area

We may restrict your coverage benefit to the country where the Covered Device was originally purchased subject to section 6.2.

- (i) The Plan does not apply to installation, removal or disposal of the Covered Device, or provision of equipment while the Covered Device is being serviced.
- (ii) The Plan does not apply to a product that is not the Covered Device, or to damage to the Covered Device caused by (a) abuse, misuse, fire, Acts of God, or other external causes except as described in section 3.2 above; (b) operating the Covered Device outside the permitted or intended uses described by the manufacturer; or (c) service performed by anyone who is not our assigned authorized servicer.

- (vi) The Plan does not apply to preventative maintenance on the Covered Device.

(vii) The Plan does not apply to defects caused by normal wear and tear or which is otherwise due to normal aging of the Covered Device, depreciation, or obsolescence.

(viii) The Plan does not apply to a pre-existing condition if you purchased the Plan after you purchased the Covered Device.

(ix) The Plan does not apply to intentional and/or dishonest acts by you, or anyone else with an interest in the Covered Device or anyone entrusted with the Covered Device.

(x) The Plan does not apply to voluntary parting with the Covered Device by you or anyone entrusted with the Covered Device, including if induced to do so by any fraudulent scheme, trick, device or false pretense.

(xi) This Plan does not apply to illegal trade or confiscation by any governmental authority.

Important: Neither you nor anyone entrusted with the Covered Device shall open the Covered Device as damage caused by opening the equipment is not covered by this Plan. Only an Apple authorized servicer should perform service on the Covered Device. Opening the Covered Device, or permitting an unauthorized servicer to open the Covered Device, constitutes intentional damage to Covered Device and compromises its physical integrity, and any subsequent damages to the device will be deemed a consequence of such impermissible actions, and not covered by this Plan.

4.3 Technical Support

(i) The Plan does not include Technical Support for your use of the OS and Consumer Software as server-based applications.

(ii) The Plan does not include Technical Support for issues that could be resolved by upgrading software to the then current version.

(v) The Plan does not include Technical Support for the manufacturer's software other than the OS or Consumer Software, as covered under the Plan.

(vi) The Plan does not include Technical Support for OS software or any Apple-branded software designated as "beta", "prerelease," or "preview" or similarly labeled software, and

(vii) The Plan does not include Technical Support for damage to, or loss of any software or data that was residing or recorded on the Covered Device. The Plan does not cover the recovery or reinstallation of software programs and user data.

5. How to Obtain Service and Support?

You may obtain service, by accessing the Apple website (support.apple.com/country-selector) or calling 800-APL-CARE (800-275-2273). You may be required to provide us the Plan Agreement Number, as identified on your Proof of Coverage, or the Covered Device serial number. You need to keep your Proof of Coverage document and the original sales receipt for your Covered Device and your Plan, as they will be required if there is any question as to coverage on a device.

6. Service Options

6.1 We will provide service for your Covered Device through one or more of these options:

(i) Carry-in service. Carry-in service is available for most Covered Devices. Return the Covered Device to an Apple Store or authorized service provider assigned by us that offers carry-in service. Service will be performed for you at the store or the store may send the Covered Device to an Apple repair service (“ARS”) site for service. Once we notify you that service is complete, you promptly will retrieve the Covered Device.

(ii) Mail-in service. Direct mail-in service is available for most Covered Devices. If we determine that your Covered Device is eligible for mail-in service, we will send you a prepaid waybill (and, if needed, packaging material) and you must ship the Covered Device to an ARS site according to our instructions. Once service is complete, the ARS site will return the Covered Device to you. We will pay for shipping to and from your location if you follow all instructions.

(iii) Express Replacement Service (“ERS”). ERS is available for certain Covered Devices. ERS is not available for Screen-only ADH Claims. If ERS is available, the following process will apply:

(a) Service where we require you to return the claimed product or part. We may require a credit card authorization to serve as security for the retail price of the replacement Covered Device or part and applicable shipping costs. If you are not able to provide credit card authorization, service may not be available to you and we will offer an alternative arrangement for service. We will ship a replacement product or part to you with installation instructions, if applicable, and any requirements for the return of the claimed product or part. If you follow the instructions, we will cancel the credit card authorization, so you will not be charged for the replacement product or part and shipping to and from your location. If you fail to return the replaced product or part as instructed or return a replaced product or part that is ineligible for service, we will charge the credit card for the authorized amount.

(b) Service where we do not require you to return the replaced product or part. We will ship you free of charge a replacement product accompanied by instructions for installation, if applicable, and any requirements for the disposal of the replaced product.

(c) We are not responsible for any additional costs you incur with respect to ERS outside of the provisions in this Plan. Should you require further assistance, you should contact us at the telephone number listed above.

6.2 We reserve the right to change the method by which we may provide repair or replacement service to you, and your Covered Device’s eligibility to receive a particular method of service. Service will be limited to the options available in the country where you request service. Service options, parts availability and response times may vary according to country. If service is not available for the Covered Device in a country that is not the country of purchase, you may be responsible for transporting the Covered Device to or from the country of purchase for this Plan benefit. If you seek service in a country that is not the country of purchase, you must comply with all applicable import and export laws and regulations and be responsible for all custom duties, V.A.T. and other associated taxes and charges. For international service, we may repair or exchange products and parts with comparable products and parts that comply with local standards.

7. Your Responsibilities

To receive service or support under the Plan, you must comply with each of the terms listed below.

(i) You will report all claims promptly. This Plan covers only those claims reported within thirty (30) days from the date of loss.

(ii) You will provide your Plan Agreement Number and a copy of your Plan’s original proof of purchase, if requested to confirm coverage.

(iii) You will provide information about the symptoms and causes of the issues with the Covered Device or the details surrounding its disappearance.

(iv) You will respond to requests for information, including but not limited to the Covered Device’s serial number, model, version of the operating system and software installed, any peripheral devices connected or installed on the Covered Device, any error messages displayed, the actions which were taken before the Covered Device experienced the issue and the steps taken to resolve the issue.

(v) You will follow the instructions we give you, including but not limited to logging into your iCloud account to place your device in Lost Mode, erase your device and/or disable your device (for Lost and Stolen Service Events), refraining from sending us products and accessories that are not subject to repair or replacement service and packing the Covered Device in accordance with shipping instructions (for Hardware Coverage and ADH Service Events).

(vi) You will update software to currently published releases prior to seeking service.

(vii) You will make sure to back up software and data residing on the Covered Device. DURING HARDWARE SERVICE, WE WILL DELETE THE CONTENTS OF THE COVERED EQUIPMENT AND REFORMAT THE STORAGE MEDIA. We will return Your Covered Device or provide a replacement as the Covered Device was originally configured, subject to applicable updates. We may install OS updates as part of hardware service that will prevent the Covered Device from reverting to an earlier version of the OS. Third party applications installed on the Covered Device may not be compatible or work with the Covered Device as a result of the OS update. You will be responsible for reinstalling all other software programs, data and passwords.

(viii) You will not open the device, nor will you permit any service provider not authorized by Apple to open the device.

8. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE, AS WELL AS OUR EMPLOYEES, AND AGENTS WILL UNDER NO CIRCUMSTANCES BE LIABLE TO YOU OR ANY SUBSEQUENT OWNER OF THE COVERED DEVICE FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO COSTS OF RECOVERING, REPROGRAMMING, OR REPRODUCING ANY PROGRAM OR DATA OR THE FAILURE TO MAINTAIN THE CONFIDENTIALITY OF DATA, ANY LOSS OF BUSINESS, PROFITS, REVENUE OR ANTICIPATED SAVINGS, RESULTING FROM OUR OBLIGATIONS UNDER THIS PLAN. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, OUR LIMIT OF LIABILITY TO YOU AND ANY SUBSEQUENT OWNER ARISING UNDER THE PLAN SHALL NOT EXCEED THE ORIGINAL PRICE PAID FOR THE PLAN. WE SPECIFICALLY DO NOT WARRANT THAT (i) WE WILL BE ABLE TO REPAIR OR REPLACE COVERED EQUIPMENT WITHOUT RISK TO OR LOSS OF PROGRAMS OR DATA; (ii) WE WILL MAINTAIN THE CONFIDENTIALITY OF DATA; OR (iii) THAT THE OPERATION OF THE PRODUCT WILL BE UNINTERRUPTED OR ERROR-FREE.

- (xi) No legal action may be brought against us unless there has been full compliance with all of the terms and conditions of this Plan and the action is brought within two (2) years and one (1) day from the date the cause of action first accrues.

Under **11. General Terms**, item (xiv) has been added:

- (xiv) Within fifteen (15) business days after we receive notice of claim, we will:
 - i. acknowledge receipt of the claim. If we do not acknowledge receipt of the claim in writing, we will keep a record of the date, method and content of the acknowledgment;
 - ii. begin any investigation of the claim; and
 - iii. request proof of loss, specify the information you must provide. We may request more information at a later date, if during the investigation of the claim such additional information is necessary.Within fifteen (15) business days we will notify you in writing as to whether:
 - i. the claim or part of the claim will be paid;
 - ii. the claim or part of the claim has been denied, and inform you of the reasons for denial;
 - iii. more information is necessary; or
 - iv. we need additional time to reach a decision. If we need additional time, we will inform you of the reasons for such need.

If we have notified you that we need additional time to reach a decision, we must then either approve or deny the claim within forty-five (45) days of such notice.

If the Covered Device suffers a covered loss, we will, at our option, repair or replace the Covered Device within five (5) business days after:

- i. we have notified you that payment of the claim or part of the claim will be made and have reached an agreement with you on the amount of loss; or
- ii. an appraisal award has been made. However, if payment of the claim or part of the claim is conditioned on your compliance with any of the terms of the Notice of Coverage, we will make payment within five (5) business days after the date you have complied with such terms.

In the event of a loss, we will not repair or replace the Covered Device unless our cost will exceed the deductible applicable to the loss.

12. ARBITRATION is deleted and replaced with the following:

12. Appraisal:

If you and we fail to agree on the value of the Covered Device or the means or satisfaction of loss, either party may make written demand for an appraisal on such value of the Covered Device or the means or satisfaction of loss. If demand for an appraisal is requested, each party shall select a competent and disinterested appraiser within twenty (20) days from the date of the written demand. The appraisers will then select an umpire. In the event the appraisers cannot agree on an umpire, they may request that the selection of the umpire be made by a judge of a court having jurisdiction. Each appraiser will determine the value of the Covered Device or the means or satisfaction of loss. If the determinations made by the appraisers are not the same, then each appraiser will submit his value of the Covered Device or the means or satisfaction of loss to the umpire. A decision agreed to by any two will determine the value of the Covered Device or the means or satisfaction of loss. Each party will: (i) pay for its chosen appraiser and (ii) bear the expenses of the appraisal and the umpire equally.
